A LOAN FOR EVERYONE

WE'RE THE COMPANY MORE INTRODUCERS TURN TO WHEN THEIR CUSTOMERS HAVE DIFFICULTY QUALIFYING FOR TRADITIONAL LOANS.

Liberty Financial introduced specialty lending to New Zealand in 2001. We were one of the first to recognise that a large number of borrowers were either being poorly serviced or rejected outright by traditional lenders.

With Liberty Financial as a partner, you can provide hope and help for the estimated 5-10% of borrowers that might otherwise fail to secure the funds they need.

Help your customers achieve personal goals such as buying a home or an investment property, or by consolidating debts into one manageable package.

We work closely with all our introducers, to provide borrowers with the fast, efficient and clear help they've been looking for.

The background is a bright, overcast sky. The image is partially overlaid by a teal and dark blue geometric shape on the right side.
